

Alliance Communications

Lifeline Terms and Conditions

Alliance Communications offers Lifeline program-supported service to qualified low-income residential consumers. The federal Lifeline and Minnesota Telephone Assistance Plan (TAP) programs provide monthly telephone service discounts on one telephone line or qualifying broadband internet access service (BIAS) per household to eligible low-income consumers to help them establish and maintain telephone service by lowering the cost of basic, monthly local telephone service. The federal Lifeline monthly discount is \$9.25. The TAP provides an additional \$3.50 monthly discount on local landline telephone service (not broadband). In addition, the Federal Universal Service Charge is not assessed to consumers participating in Lifeline. Long distance blocking (either toll limitation or toll blocking) is available to eligible Lifeline consumers at no cost. Consumers who are eligible for Minnesota Telephone Discounts for landline service do not have to pay a deposit if they agree to block long distance service.

Part of Lifeline Program Service

Alliance's Voice Lifeline service includes unlimited local minutes-of-use within the toll-free calling area. Alliance's Voice Lifeline Plan does not include any free minutes-of-use for toll. Toll is billed at the standard toll rate depending on which interexchange carrier the consumer subscribes to for toll service. As part of the Lifeline service, Toll blocking is available to eligible consumers at no cost.

BIAS minimum speed and usage allowance standards are required for the service to qualify.

Rates

Subscribers may receive the Lifeline credit qualifying telecommunication services, including bundled services that are normally offered by Alliance. TAP is available only for land line telephone services. The federal Lifeline Credit is available for qualifying telecommunication services. Advertised rates do not include any applicable taxes or surcharges.

Recertification of Lifeline Eligibility

Lifeline recipients are required to recertify their eligibility annually. Failure to properly recertify a recipient's continued eligibility for the Lifeline program will result in termination of the Lifeline recipient's monthly Lifeline discount and de-enrollment from the Lifeline Program.

Additional Lifeline Program Information

The Lifeline program is limited to one benefit per household, consisting of either telephone or BIAS service. A household is defined, for purposes of the Lifeline program, as an individual or group of individuals who live together at the same address and share income and expenses. Lifeline is a government benefit program, and consumers who willfully make false statements in order to obtain the benefit can be punished by fine or imprisonment or can be barred from the program.
