Lifeline Household Worksheet

Only one Lifeline Program-supported service per household is allowed under Federal law.

Your **household** is everyone who lives together at your address and contributes to, or shares in, the income and expenses of the household. Household expenses include food, health care expenses, and the cost of renting or paying a mortgage on your place of residence and utilities. Income includes salary, public assistance benefits, social security payments, pensions, unemployment compensation, veteran's benefits, inheritances, alimony, child support payments, worker's compensation benefits, gifts, and lottery winnings.

Answer the questions below to determine if there is more than one household living at your address, and if your household already receives a Lifeline Program benefit. Providing false information on this form may result in losing your Lifeline service and/or criminal penalties.

1. Does another adult (age 18 or emancipated minor) live with you AND have a Lifeline-discounted service or a "free" wireless Lifeline service? For example, husband, wife, domestic partner, parent, son, daughter, another relative (such as a sibling, aunt, cousin, grandparent, grandchild, etc.), a roommate, or another person.

_____ **No.** You are **ELIGIBLE** for Lifeline because no one in your household has Lifeline. Skip to the bottom of the page and **SIGN below** to certify that this is true. Then complete pages 3-4 of this form.

_____ **Yes.** Please answer question 2 below.

2. If you answered Yes to Question 1, do you share expenses for bills, goods, or other living expenses AND share income (salary, public assistance benefits, social security payments or other income) with the person in question #1 who has a Lifeline-discounted service?

_____ **No.** You are **ELIGIBLE** for Lifeline because no one in your household has Lifeline. Please **SIGN below** to certify that this is true. Then complete pages 3-4 of this form.

_____ **Yes.**  Do NOT complete the rest of this form. You are **NOT ELIGIBLE** because someone in your household already has Lifeline.

I certify that the information provided above is true and that no one in my household already has Lifeline. I understand that violating the one-per-household requirement is against the Federal Communications Commission's rules and I may lose my Lifeline benefits, and may be prosecuted by the United States government for violating the rules.

Consent to provide Lifeline subscriber information to the National Lifeline Accountability Database

The Federal Communications Commission has established the National Lifeline Accountability Database to detect and prevent consumers from receiving more than one discounted telephone service under the federal Lifeline program.

Under federal law, Alliance Communications is required to check this database prior to signing up Lifeline subscribers and is also required to provide the following information to the database's federal administrator:

- The Lifeline subscriber's full name
- The Lifeline subscriber's full residential address
- The Lifeline subscriber's date of birth
- The last four digits of the Lifeline subscriber's social security number or tribal identification number
- The telephone number associated with the Lifeline service
- The date on which the Lifeline service was initiated
- The date on which the Lifeline service was terminated (if applicable)
- The amount of Lifeline service support being sought for the subscriber
- The means through which the subscriber qualified for Lifeline service (income or program-based, Medicaid, etc.)

The above information related to your Lifeline service is being provided by Alliance Communications to the National Lifeline Accountability Database to verify that you, as a Lifeline applicant and/or subscriber, are not receiving more than one Lifeline benefit, and to otherwise ensure proper administration of the Lifeline program.

I, the Lifeline applicant/subscriber, acknowledge that Alliance Communications will transmit to the federal administrator of the National Lifeline Accountability Database the above-referenced information about my Lifeline account and service for inclusion into the database, and hereby consent to transmission of the information for purposes allowed by law relating to administration of the Lifeline program.

I further understand that a failure to provide this consent to release my Lifeline account and service information to the federal administrator for inclusion in the National Lifeline Accountability Database will result in a denial of or de-enrollment from Lifeline service.
