Quick Start Guide:
How to Set Up Your My Alliance WiFi App

ALLIANCE COMMUNICATIONS™

Get started with the App

The My Alliance WiFi App allows you to manage your home or small business Wi-Fi network. Download the app and start managing your home or network today!
For details on how to use specific features, visit alliancecom.net/support/internet-support and click on the My Alliance WiFi App tab.

Need help? Dial 611 from any phone with Alliance service or (605) 582-6311. You also can send a message to email@alliancecom.net.

1 Make sure your Alliance router is plugged in. Your router needs to be plugged in at least 10 minutes before continuing to the next step.
2 Download the My Alliance WiFi app from the Apple App Store or the Google Play Store and install it on your mobile device.
